Available Features

Press-To-Close Zippers

Provides for a nice looking finished product and helps the sharp corners of other bags from cutting into adjacent bags.

Tear Notch

Consumers use the tear notch to rip open the top of the sealed bag.

Pocket Zippers

The pocket zipper offers the convenience of a zipper with the benefit of easy filling. Installed on the front of the package, the tear/pull tab is a cutout tab that can be easily accessed and opened

and reclosed by the end user.
